Dear Parents,

Subject: Regarding announcement of two important schemes by the Board of Trust and Invitation for the parents to an Interactive Session on स्कूली शिक्षा: मनन, चिंतन एवं मंथन; चर्चा एवं परिचर्चा

We are pleased to inform that the Board of Trust in presence of **Founder Chairman, Agarwal Group, Shri Purshottamji Agarwal** has announced two important schemes for the benefit of the students as well as their parents. The details are as below –

Scheme of Post Matric Scholarship:

In order to recognize and support exceptional students who are committed to their studies; the *Board of Trust* has introduced a **Post Matric Scholarship Scheme** under which the students scoring 80% and above in Class X Board Examination (2025-26) will be eligible to avail a scholarship of 25% on Tuition Fee for their further studies in Classes XI & XII in our school (subject to consistency in performance of the student in Class XI).

- ❖ **Note** – The parents of such students can avail the benefit by submitting a self attested photo copy of Class X marksheets (2025-26) of their ward issued by the Board in school office. (This scheme is not applicable to the students who are availing Staff Concession)

Scheme of Sibling Concession:

The Board of Trust has decided to offer a 10% Sibling Concession on Tuition Fee for next two siblings' admission based on the Admission of their First Ward. Which means that from Session 2026-27 second and third child of the same parents can avail a concession of 10% in their Tuition Fee as long as the first child of the same parents continues his/her studies in our school. After the first Scholar is passed out/leaves the school the second child will be considered as first scholar and third child (if any) will continue to get 10% sibling discount on Tuition Fee.

- ❖ **Note** – To avail this benefit the parent has to apply in the prescribed format available in the school office at earliest. (Sibling Concession is not applicable to the students who are availing Staff Concession or to the students who score 80% and above in Class X Board Exam and are eligible for Post Matric Scholarship in Classes XI & XII)
